SADSAA Road to Protea Colours

Angling members of SADSAA wishing to obtain their Protea Deep Sea Angling Colours need to follow the following selection criteria as laid down by the SADSAA Executive Council in January 2002.

Facets: Bottom, Light Tackle, Heavy Tackle, Game and Tuna fishing

Anglers firstly need to obtain their SADSAA Colours before being allowed to nominate for Protea Colours.

Nominating for SADSAA colours:

Anglers must have competed in a minimum of two (2) Inter-provincials of any facet of angling

Anglers must have competed in three (3) National Tournaments, two (2) of the Nationals being in the same facet of angling you would like to nominate for Protea colours i.e. Sail/Marlin/Bottom/Tuna/Game fishing.

Nominating for Protea Colours:

The Angler must have at least ONE(1) SADSAA cap in the facet that the angler is nominating for Protea Colours in.

Nomination Procedure:

- SADSAA/PROTEA Nomination form. (Form is available on the website/SADSAA Secretary/Provincial Secretary)
- The form to be accompanied by proof of payment from the Provincial Treasurer to SADSAA of R100-00. No cash will be accepted.
- Submit the form to the Provincial Chairmen/Secretary/Tournaments Officer. The Provincial Officer will forward the nomination to the National Selector Convenor by the due date called for.
- After Selections have taken place, the National Convenor will inform the SADSAA President, who will in turn contact the various anglers on their selections. It was also agreed that

only the President will notify the appropriate Provincial Chairmen.

If an angler who has already obtained his colours for either Protea or SADSAA wishes to nominate for a Protea or SADSAA team he must qualify as a CURRENT angler. To be considered as CURRENT, the angler must have fished for Protea, SADSAA or his Provincial Team in a Interprovincial or National Championship within 24 months of the date that nominations close. Selectors and Skippers in National and Interprovincial Championships will also remain current if doing duty in one of these areas prevents them from participating as an angler within this 24 month period.
